

Sponsorship opportunities for the 2013/14 tennis season

Are you interested in promoting your name or brand to Whangaparaoa and Hibiscus Coast residents? Or even to the wider North Shore?

We have a range of sponsorship packages designed to meet your requirements. Packages range from \$500 - \$1,500 for the season via a tiered package opportunity. Additionally, we can tailor a package to suit your needs – we are open to all ideas!

A bit about us:

- Whangaparaoa Tennis Club is the largest Tennis Club in Hibiscus Coast and one of the top 5 clubs in North Harbour. With 6 artificial grass courts and clubhouse with fully licensed bar, the club has approx 130 Senior and 120 Junior Members.
- The courts are in use for club events several times per week winter and summer. The junior programme is very active with 15 Junior teams playing on Saturdays and being coached each week as well as beginner coaching groups on Saturdays. There are also about 10 Senior teams playing in the North Harbour competition as well as organised club play 2-3 times per week and the club also organises a popular business house competition in the Summer.
- Whangaparaoa is one of the most socially active tennis clubs in North Harbour with club tennis sessions being very popular as well as the social drinks at the bar afterwards.

What do we offer you?

- There is an opportunity to develop a relationship with club members, through word of mouth by having a presence at the club. As a sponsor you will be welcome to attend club events and functions, and we could market your business to our members.
- Signage space around the court perimeter is available and a sponsor's board in the clubhouse.
- We also have opportunities for your business to sponsor a team or a club function.
- We have a popular website (www.wgptennis.co.nz) and a Facebook page that we can use to spread your business message.
- Sponsorship packages for the 2013-14 season (September 2013 – August 2014) include:
